

[Partner 1 name],

Out of all the beautiful things I've experienced in my life, our relationship is the most breathtaking—and it's entirely because of you. Your patience and your love have done so many things for me, have soothed me and uplifted me in so many ways that I could never list them all. Just know that the love we share has become part of my soul—for this life and beyond.

I want to tell you that your care and love is nothing less than a blessing, and that I'm so proud of who you are and who you're becoming. Being with you is the privilege of a lifetime, and I want to do everything I can to help you. I promise to take care of the little things in our lives so you don't have to worry about them, and my first priority will be you and our future family. I'll keep thinking of new experiences for us to share, new ways to show you how much I love and appreciate you, and hopefully some amazing trips for us to take, too.

[Partner 1 full name], my love for you knows no bounds and no borders. And even though I don't have to travel the world to see the most wonderful thing in it—that's you—I'll go anywhere this life takes us if I'm going with you.

So, let's take the first step together, my love—I'm ready, and I'll be walking right next to you the whole way.
