Inniskillin Vidal Icewine | 375 ml | AVB 9.5

Sample photo only; actual photo not available

Tasting notes:

The Vidal Icewine has intense aromas of mango, apricot and honey, beautifully integrated with flavours of peach and candied brown sugar, held together by crisp bold acidity. *—Inniskillin*

From the staff:

A perfect introduction to the unique, frosty world of icewine. Sweet and redolent of golden fruit (but never cloying or overwhelming), this dessert wine does equally well when paired with hors d'oeuvres. Try it with crème brûlée, panna cotta, blue cheese, or even pâté for an unforgettable experience.
